

Horizontal Paths

This is very simple...it's just a different way of running the programme. The way this works is this: You have 9 paths, each path is based on very similar subjects in the Scout Programme, for example if we take the the Camper path, the path has a number of subjects which are Tents, Campsite, PL's Camp and Adventerous Activity, these subjects can be tackled as a whole, individually and in any order deemed fit by the Patrol. These paths are then complimented by one or more Proficiency badges, for example the Camper path is complemented by the Camper Mastery Badge. Once 2 complete paths have been achieved (including the proficiency badge) and 1 interest badge has been achieved (from: Arts Enthusiast, Fitness, Building & Design, Nature, Animal Lover, My Community and Scout Heritage) the Pathfinder Level Badge will automatically be awarded, and the same applies for the Explorer Level Badge and Pioneer Level Badge. Since the Voyager Level requirements are being converted into the link badge requirements, to complete the Voyager Level Badge you will need to complete 2 of the following interest badges, Ethnic Diversity, Family Life, Personal Management and Entrepreneurship.

Camper	Tents	Campsite	PL's Camp	Risk Management	Adventurous Activity	Mastery Badge -->	*Camper*					Other Programmes
Cooking in the Wild	Fire & Cooking	Knife, Axe, Saw, Hatchet	3 course meal	Backwoods Cooking and Camp Oven	Cooking for the patrol	Mastery Badge -->	*Cook*					Food Handler's Course
